

Guyana

We are pleased to offer the amazing remaining stock from the Archives of the Guyana Agents stock. A virtual gold mine for the topical collector, it covers many popular topics and is especially strong in such areas as Butterflies and Orchids. This enormous stock includes many of the elusive regularly issued stamps with overprints that are listed in all major catalogs but incredibly difficult to find. Many of these overprinted issued are only known to exist in small quantities and many were not fully distributed (As attested by the fact that one rarely finds them on the market). We are certain that some of these stamps have never before been offered on the market. There are also many unlisted or still unknown varieties. We are please to be able to offer singles as well as multiples. Please note that many are available in blocks of four at 4 x the singles price. Most Orchid stamps are also available in miniature sheet format - please inquire!

Unlisted Error!! New Discovery! In the summer of 1988, Grady Printing Co, was commissioned to surcharge many Orchids issued with 120c surcharge. Among the stamps supposed to be surcharged were Master Sheets of 70c Orchid plates 2-8, 9, 12 + 17. By mistake a handful of similar design, but different denomination, sheets were overprinted in error. The note found with the stock (by the agent Kirik) says "overprinted by mistake - Format [the printing company] stuck these in with the 70c booklet stamps". We offer the only stock of these that existed -- 17 Master Sheets in found, 68 of each stamp! These stamps were intended to be Scott #1181, 83, 88, 97 (SG 1811, 16, 17, 72) We offer them as follows: set of 4 250.00
