## How to sign Up

### 1. Send Want List

Send a list of stamps, covers or specialized material needed. Want lists must be large enough to provide at least six monthly shipments. Be sure to include the exact condition wanted - never hinged, hinged, used or any special condition requirements. Please keep us advised of any changes in your want list.

Some clients like to specify the contents of each month's shipment. Although we try to accommodate such requests, it is not always possible.

### 2. Select the \$ Amount

We will send shipments each month based on the dollar amount you would like to spend each month. Our minimum is \$35.00 and the maximum is up to any amount your budget allows!

### 3. Payment

Customers pre-pay their first month's shipment. Future shipments can be paid within 14 days of receipt, or your credit card can be charged at the time of mailing. International customers have the additional option of paying directly to our US or overseas bank accounts. Please inquire.
